The products subject to recall bear establishment number "EST. 20783" or "P-20783" inside the USDA mark of inspection. These items were distributed for institutional use in vending machines and restaurants nationwide.

The problem was discovered by FSIS in-plant personnel during routine label reviews, when they found that one or more allergens were not listed on labels for various products.

There have been no confirmed reports of adverse reactions due to consumption of these products. Anyone concerned about an injury or illness should contact a healthcare provider.

FSIS routinely conducts recall effectiveness checks to verify that recalling firms are notifying their customers of the recall and that actions are being taken to make certain that the product is no longer available to consumers. When available, the retail distribution list will be posted on the FSIS website at [www.fsis.usda.gov/recalls](http://www.fsis.usda.gov/recalls).

Consumers and members of the media with questions about the recall can contact Jae Hwang, General Manager, Mr. Wok Foods, Inc., at (626) 964-8230, ext. 122.
