

Clifton Health Department Food Recall Notification

Food/Drug/Pet Recall: Sunstar Americas, Inc.

Sunstar Americas, Inc. (SAI) is voluntarily recalling Paroex® Chlorhexidine Gluconate Oral Rinse USP, 0.12% products bearing an expiration date from 12/31/2020 - 9/30/2022 to the consumer level. This product may be contaminated with the bacteria *Burkholderia lata*. This is an expansion of the recall initially announced on October 27, 2020.

Use of the defective product in the immunocompetent host may result in oral and, potentially, systemic infections requiring antibacterial therapy. In the most at-risk populations, the use of the defective product may result in life-threatening infections, such as pneumonia and bacteremia.

To date, 29 adverse events have been reported to SAI related to this recall. Affected patients tested positive for *Burkholderia lata* infections, typically found in sputum cultures while under treatment for other serious medical conditions. Use of the contaminated product on patients with pre-existing respiratory conditions, including those infected with Covid-19, is particularly unsafe.

The prescription oral rinse product, available through healthcare professionals only, is indicated for use as part of a professional program for the treatment of gingivitis and is packaged as follows:

. 1789P GUM® Paroex® is distributed in cases each containing 6 amber bottles of 16 fluid ounce (473 ml) chlorhexidine rinse. The bottle has a childproof cap and a 15 ml metered dosage cup, is safety sealed, and is decorated with a multiple-panel wrap-around label.

. 1788P GUM® Paroex® is distributed in cases each containing 24 amber bottles of 4 fluid ounce (118.25 ml) chlorhexidine rinse. The bottle has a childproof cap, is safety sealed, and is decorated with a multiple-panel wrap-around label.

Paroex was distributed Nationwide to Dental offices, Dental distributors, Pharmaceutical wholesalers, Dental schools, and Pharmacies.

SAI is notifying its direct distributors and customers by USPS Priority mail and is arranging for return of all recalled products. Patients, pharmacies, and healthcare facilities in possession of these products should stop using and dispensing immediately.

Consumers with questions regarding this recall can contact SAI by phone at 1-800-528-
