Clifton Health Department Food Recall Notification

1001586399

Retail stores place Use By Date on the package.

No illnesses have been reported to date in connection with this issue.

The recall was initiated after it was discovered the cakes were distributed in packaging that did not reveal the presence of Hazelnuts. Subsequent investigation indicates a change in raw material under previous production ownership that was not introduced into the company's ingredient review process.

Production of these cakes has been suspended until further notice to ensure the issue is properly resolved.

Consumers who have purchased these cakes are urged to return them to the place of purchase for a full refund. Consumers with questions may contact Ken McCloud, Senior Director of Quality Assurance at 715- 426-2090. Call between 8 AM - 4 PM CDT.

No action is required of local health departments at this time for either of these recalls. If any requests for assistance are received from FDA, the Public Health and Food Protection Program will contact you.
