## Food/Drug/Pet Recall: Hostess Brands, LLC

Hostess Brands, LLC ("Hostess Brands") is voluntarily recalling certain Hostess® Soft White Hamburger Buns and Soft White Hot Dog Buns due to the potential for the products to be contaminated with *Listeria monocytogenes* and *Salmonella*.

Hostess Brands is recalling the impacted products out of an abundance of caution after becoming aware of this issue from its co-manufacturer, Best Harvest Bakeries, through Best Harvest Bakeries' environmental monitoring program. To date, Hostess Brands has received no reports of illness related to this issue.

*Listeria monocytogenes* is an organism that can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. Although healthy individuals may suffer only short-term symptoms such as high fever, severe headache, stiffness, nausea, abdominal pain and diarrhea, *Listeria* infection can cause miscarriages and stillbirths among pregnant women.

*Salmonella* is an organism that can cause serious and sometimes fatal infections in young children, elderly people, and others with weakened immune systems. Healthy persons infected with *Salmonella* often experience fever, diarrhea, nausea, vomiting and abdominal pain. In rare circumstances, infection with *Salmonella* can result in the organism getting into the bloodstream and producing more severe illnesses.

This recall is limited to the following Hostess® Soft White Hamburger Buns and Soft White Hot Dog Buns, which were sold to distributors, convenience stores, and other retail stores throughout the United States:
