

# Clifton Health Department Food Recall Notification

## Food/Drug/Pet Recall: Ellume Covid-19 Home Test

### Voluntary Recall - Ellume COVID-19 Home Test

The purpose of this letter is to advise you that Ellume is voluntarily recalling specific lots of the Ellume COVID-19 Home Test, which is authorized for non-prescription home use under an Emergency Use Authorization to diagnose COVID-19 infection. We are contacting you because you may have received affected Ellume product provided by the U.S. government through a contract with the Department of Defense (DOD). Please read this letter closely to determine whether you need to take action.

### Information About the Product and Voluntary Recall

For detailed information about the Ellume COVID-19 Home Test, recall refer to the Ellume website: [Company Announcement | Ellume COVID-19 Home Test \(ellumecovidtest.com\)](#).

### Actions to be Taken by your Organization

1. Please check your Ellume COVID-19 Home Tests to determine whether they are from an affected lot(s) as published on the Ellume website. If your product is from an affected lot, you should stop re-distribution of these tests and quarantine them immediately.
2. Continue to monitor the recall notice on the Ellume website for identification of additional affected lots.
3. The DOD is working directly with Ellume for disposition and replacement of recalled product that was supplied to the U.S. government through the DOD contract. Recipients with affected lots should reach out to the following POCs:
  - a. Youmin Hu; Email: [yumin.hu.ctr@army.mil](mailto:yumin.hu.ctr@army.mil)
  - b. Patricia Alexander; Email: [patricia.l.alexander.civ@army.mil](mailto:patricia.l.alexander.civ@army.mil)

### Actions by Department of Defense

The DOD will continue to coordinate with recipients of the Ellume COVID-19 Home Use Test to communicate information, including any changes to this voluntary recall.
