## Food/Drug/Pet Recall: EveryPlate

EveryPlate has been informed by one of its ingredient suppliers that it is conducting a voluntary recall of its onions due to the potential presence of *salmonella* bacteria. Please discard all onions received from July 7, 2021 through September 8, 2021. The company recommends disposing of onions received during the specified time period. Please note that onions received after September 8, 2021 are not affected by this recall. For further information on whether you have been impacted, please check the product codes, located on the bottom square of your box shipping label.
