

Clifton Health Department Food Recall Notification

Food/Drug/Pet Recall: Freshpet, Inc.

Freshpet Inc. is announcing a voluntary recall of a single lot of Freshpet Select Fresh From the Kitchen Home Cooked Chicken Recipe (4.5 lb. bag), with sell by date of 10/29/22, due to potential contamination with *Salmonella*.

Salmonella can affect animals eating the product and there is risk to humans, notably children, the elderly, and the immunocompromised, when handling contaminated products, especially if they have not thoroughly washed their hands after having contact with the products or surfaces exposed to these products.

Healthy people infected with *Salmonella* should monitor themselves for some or all of the following symptoms: nausea, vomiting, diarrhea or bloody diarrhea, abdominal cramping, and fever. *Salmonella* can result in more serious ailments, including arterial infections, endocarditis, arthritis, muscle pain, eye irritation, and urinary tract symptoms. Consumers exhibiting these signs after having contact with this product should contact their healthcare provider.

Dogs with *Salmonella* infections may be lethargic and have diarrhea or bloody diarrhea, fever, and vomiting. Some dogs will have only decreased appetite, fever, and abdominal pain. Infected but otherwise healthy dogs can be carriers and infect other animals or humans. If your dog has consumed the recalled product and has these symptoms, please contact your veterinarian.

If pet parents have products matching the following description and sell by date in their possession, they should stop feeding it to their dogs and dispose of it immediately.

Please call the firm if you have any of the recalled product, Freshpet Select Fresh From the Kitchen Home Cooked Chicken Recipe (4.5 lb. bag) with Sell by Date 10/29/22. The Sell by date, along with the UPC code, can be found on the bottom and back of each bag.

The firm had designated this single lot for destruction, but a small portion of the lot was inadvertently shipped to retailers in limited geographic markets in the last two weeks. **No other Freshpet products or lot codes are impacted by this recall.**

To date, Freshpet has received no reports of illness, injury, or adverse reaction. The lot may have sold at limited Walmart stores in Alabama and Georgia; and limited Target stores and other select retailers in Connecticut, Massachusetts, Maine, New Hampshire, New Jersey, New York, Pennsylvania, Puerto Rico, Rhode Island, Vermont, and West Virginia.
