Dakota Style Foods, Inc. Issues Expanded Allergy Alert on Undeclared Milk in Pretzels

Dakota Style Foods, Inc. is expanding the recall of the braided pretzels to include the following products because they may contain undeclared milk. People who have an allergy or severe sensitivity to milk run the risk of serious or life-threatening allergic reaction if they consume these products.

Pretzels were distributed through retail stores in all lower 48 states and Alaska.

Best by Dates and Lot Codes can be located on the back of the package.

No illnesses have been reported to date.

The expanded recall was initiated after further testing discovered additional products containing milk were distributed in packaging that did not reveal the presence of milk.

Consumers who have purchased these pretzels are urged not to consume them and to return the product to the place of purchase for a full refund. Consumers with questions may contact the company at 1-800-446-2779, Monday through Friday, 8:00am-5:00pm, CST.
