Crustacean Shellfish 20/ 150G 074410925598

The recall was discovered through testing conducted by the Canadian Food Inspection Agency discovered the presence of the listed allergens that were not listed on the product label. The manufacturer in Kagoshima, Japan has been made aware of the issue and is conducting an investigation to determine the cause of the issue so corrections can be implemented.

To ensure consumer safety, all distribution of the affected products have ceased and retailers have been notified for the removal from shelves. No illnesses have been reported to date.

Consumers with questions may contact the company at recall@wismettacusa.com.
